

Information Resources 6: Statistics

Speaker: KATO Hiroshi and OZAWA Kota, NDL

December 10, 2004

Mr. Kato discussed the various kinds of statistical data available both online and in print from the Japanese government and nongovernmental organizations. Several online resources for statistics were introduced during the session:

For government statistical data:

[Somucho Tokeikoku, Statistics Bureau, Ministry of Internal Affairs and Communications](#)

For statistical data for nongovernmental organizations:

[Intanetto Johogen 21, 3. Keizai Joho](#)

[GDP Keiki Keizai Saito](#)

[Nihon no Keiki Keizai Joho Kaisoku Netowaku "DInNEco"](#), Digital Information Network of the Japanese Economy

[Economic Data](#)

Mr. Ozawa led the discussion and hands-on session of online statistical data websites, the [Statistics Bureau's Website](#), as well as resources in print such as Index of Statistical Data, Bijinesu Deta Kensaku Jiten, Tokei Gaido Bukku and Historical Statistics of Japan.
