

Subject: Call for applications for the Japan Specialist Workshop

The International House of Japan and the National Diet Library of Japan are jointly launching The Japan Specialist Workshop 2011 (Access to the Culture and Society of Contemporary Japan) with a grant from the Japan Foundation, in which selected specialists will be invited to attend a series of workshops, including an individual field survey in the Tokyo metropolitan area.

Schedule: February 14 to 21, 2011

Participants: Early career researchers in Japanese Studies (including postgraduate students), librarians and curators who have research and working experience in Japanese Studies

Conditions: The below will be provided for successful applicants:

- Round trip airfare (with an upper limit)
- Accommodation at International House of Japan (nine nights including breakfast)

Deadline: Thursday, September 30, 2010
