

Japanese Graduate Guide: Princeton

Compiled by Yasuko Makino (Japanese and Korean Bibliographer). With permission from the compiler, excerpted from (<http://libweb2.princeton.edu/gest/guidesframeset1.htm>) and distributed for the Seminar.

This document contains a brief listing of useful reference works on a variety of topics in Japanese Studies. It is meant primarily for graduate students and others with command of the relevant languages.

This page contains Japanese characters; to view these correctly, choose Japanese as the View encoding from your browser menu. For best results, use Internet Explorer 5.0 and above, and its default CJK fonts.

All titles mentioned in this guide are in addition to those mentioned in the General Guide to the East Asian Library and the EAS Undergraduate Studies Guide.
